SOUTHERN BEAUTY SAYS "GAINING WEIGHT IS BETTER THAN PUTTING MONEY IN THE BANK"

Expert Says, "When Meals Pay a Profit There Is No Danger of Physical Bankruptcy"

Miss Madge Vincent, Well Known Actress, Gains 10 Pounds in Weight Taking "Wilderb" Treatment

MISS MADGE VINCENT

Miss Madge Vincent, well known Southern beauty and vaudeville actress of note, who makes her home in Charleston, S. C., and is visiting friends here, has added her voice to the constantly growing chorus of local people who are relating remarkable benefits received from the use of Wilderb (full extract), the new tonic and system purifier. She said:

"Since coming here from Charleston I have been half sick and lost considerable weight. The climate in Charleston while cool at this time of the year is not damp and muggy as it is in Bridgeport. This dampness has proven too much for me. I have not slept well and my appetite has been poor and I lost 15 pounds in weight. Everything I ate seemed to cause immediate distress, being followed by the formation of gas in my stomach which was intensely disagreeable. Head aches and extreme nervousness would invariably follow such attacks. I have been reading in the papers about others here who were afflicted in the same way and who claimed to have been relieved by this new medicine, Wilderb. It really seems to me that if people can live in a climate like you have in Bridgeport they can live anywhere. I procured some of the medicine and after the third day it was evident to me that your 'Wilderb' was just what I needed. It seemed to take hold of the trouble in a most satisfactory way. The gas in my stomach has disappeared and the nervousness is almost completely overcome. This was two weeks ago and I have just weighed myself and find I am 10 pounds heavier. I unhesitatingly recommend 'Wilderb' because it has given me the relief that other remedies have failed to give."

T. S. Jackson, Dr. Pierce's health expert, who still has his headquarters at Hinde's Main and State streets every day until 9 o'clock at night, and is taking the blood pressure of all those who desire it, free, said:

"Are your meals paying dividends? Or are they plunging you headlong into physical bankruptcy? Every meal you eat should give you more than mere hunger satisfaction. More blood for the veins and more flesh for the bones are what you need."

"Some folks will not grow plump. The more they eat the thinner they get. Something must be wrong. These same people eat plenty of flesh building food, still they gain very little strength. The man who ate heartily and did not get fat said that it made him thin carrying it around. The too slender man or woman rarely is happy. Plumpness of the body depends upon the stomach extracting the fats from the foods that are eaten. When the stomach fails at fat making, the whole system suffers. Plumpness does not depend upon the amount of food that is eaten. It depends upon the amount of food that is assimilated by the stomach and made into blood, nerve and muscle. In cases of extreme emaciation, nine times out of ten, it may be traced to stomach fermentation and intestinal indigestion. Wilderb owes its tremendous success to its ability to mix with the food and turn it into body building elements."

FAIRFIELD COUNTY NEWS

Typhoid in Norwalk.
No new cases of typhoid fever have been reported from the Fairfield County Home at Norwalk, and no more cases are expected. It is hoped that the epidemic there is ended. Health Officer William J. Tracey conducted an investigation and is satisfied that a milk supply was the cause of the outbreak. The supply has been stopped and inasmuch as the County Home is the only place in town which was receiving milk from the source, there is no reason for fearing any new cases.

Glenbrook House Burned.
At Glenbrook Saturday evening, a two-family house owned by John E. Zwart, was destroyed by fire. The blaze is supposed to have started from defective wiring. Mr. Zwart estimated his loss at \$2,000, and said that it is covered by insurance. Two families—that of William Secor on the upper floor and that of James McCormack on the first floor—occupied the building. Mr. McCormack managed to save considerable of his household effects. Property of the Secor family was almost all lost.

Fell Under Train.
Robert Laughlin, a freight brakeman in the employ of the New Haven road, was killed Sunday afternoon. Attempting to board a train in motion, he lost his grip on the grab-iron and slipped. He fell beneath the train. He was badly mutilated.

Fell With Gasoline.
Martha Anderson died at the Norwalk Hospital Thursday as the result of serious burns sustained when she stumbled while carrying a lantern and pail of gasoline. Her stumbling caused him to knock the lantern which exploded the gasoline which explosion resulted in his being set afire.

Fell Down Stairs.
James Hawk, aged about 43 years, is at the Norwalk Hospital with a fractured skull and a fracture of one arm, and will probably die as the result of a fall down stairs. He was carrying a few bundles and slipped or tripped and plunged down 12 feet to the hallway, landing on the back of his head.

LITCHFIELD COUNTY NEWS

74 and 60.
Rev. George W. Remington, 74 years old, a retired clergyman, and Mrs. Belle Culver, widow of Ralph M. Culver, who has just passed the three score mark, both of Torrington, have applied for a marriage license. They will be married after the five days provided by law have elapsed.

Loss by Fire.
Damage estimated at about \$1,000, which is said to be covered by insurance, was done to a house in West Norfolk, owned and occupied by Louis Rudolph, by a fire Wednesday morning.

A Great Corn Crop.
As the Norfolk fair had to be abandoned this year on account of quarantine necessity a most interesting gathering met at the farm of George B. Case, Saturday to inspect a corn crop that is one of the best, without a doubt, ever grown in Connecticut. Foreman Bruhn prepared a statement showing the cost of producing the crop of corn as follows: Cost of plowing 3 1/2 acres, \$25; cost of phosphate, \$40; cost of planting, \$5; cost of cultivation, \$30; cost of lime, \$12.50; total \$112.50. Estimated yield of corn, 600 bushels, worth \$300.
